

Campus/Department Social Media Parent Permission Form

Pursuant to **School Board Policy 3033**, it is against policy for any faculty member to communicate with students via social media without the express written consent of the student's parents, while the student is enrolled in **Aldine Independent School District**. Communication via social media includes but is not limited to Edmodo, Facebook, Twitter, YouTube, Google+, LinkedIn, Tumblr, Instagram, Ning, Second Life, and Flickr. Certified and licensed employees will be authorized to maintain or use district-approved social network sites for the purpose of teaching or communicating with students on matters within the scope of the employee's professional responsibilities. They must obtain consent from parents for communication purposes which directly relate to the supervised activity of students (BP3033). Parent permission forms will be maintained by the child's teacher or academic advisor for the current academic year.

By signing below, you knowingly consent and grant permission for social media correspondence between your child's teacher or academic advisor for the purposes explicitly related to the activity of which your child participates. Correspondence between the teacher or academic advisor with your child for any purpose otherwise stated is strictly prohibited.
